

TowLite

A TRAVEL TRAILER AT TENT TRAILER PRICES

Light Weight • Low Profile

A super-lite weight, very low profile telescoping traveling trailer at tent trailer prices. TowLite's sidewall construction is a laminated sandwich panel of fiberglass exterior skin, plywood, polystyrene foam and plywood paneling interior. The low profile, aerodynamic efficiency and Henschen dura-flex rubber suspension means TowLite is safer and easier to tow. TowLite features an automatic 6 year warranted hydraulic lift system that raises the top section with only the flip of a switch (in just 12 seconds) to reveal a wide open spacious interior with all solid walls and ceilings. It has complete living quarters with galley, dinette and sleeping area for up to six people and features an outside kitchen. It also has plenty of built in storage (with upper and lower cabinets) and gives comfortable, secure living (no canvas like tent trailers). Then again, with only the flip of a switch, it lowers in 12 seconds for safe and easy low profile towing.

Safe and Easy Low Profile Towing

6 Year Limited Warranty on Lifting System

TowLite warrants to the original purchaser that it will replace (through its authorized service centers) any part of your TowLite hydraulic lifting system (excluding the battery) which becomes broken or inoperative due to defects in material or workmanship within six years from date of original purchase. In addition, TowLite warrants that it will repair or replace (through its authorized service centers) any part of your TowLite travel trailer found defective due to defects in material or workmanship within 12 months from date of original purchase. (Components such as tires, running gear, power converter, battery, plumbing & electrical fixtures, refrigerator, range, etc. are subject to separate warranties issued by other manufacturers.)
